Public Notice #18
2020 Coronavirus Response

May 18, 2020 11:00 AM

As of 11:00 a.m. this morning, the Town of Douglas has had a total of 36 confirmed cases of COVID-19. The Town's first case was confirmed on March 24.

Today's total number of 36 is up from 30 cases among current residents reported one week ago. There are 6 people actively quarantined at 4 different addresses.

The Town will be starting a community garden effort in the coming days. Volunteers are needed to maintain a vegetable garden on Town property. All produce will be donated to the local food pantry to benefit Douglas residents. Details on the volunteer effort will be provided later this week.

Those needing assistance in the form of delivered meals should sign up through the Town's website. Volunteers and donations are welcome, and should be coordinated through the Adult Social Center at 508-476-2283.
