

## Town of Douglas

### **Electric Supply Product Summary: Douglas Standard** *From Douglas Community Electricity Aggregation*

You will receive an electric supply product from Douglas Community Electricity Aggregation. Your electric utility will continue to deliver the electricity you use to your home.

Price	\$15.784 cents per kWh. This does not include the price that your electric utility will charge you for the delivery component of your electric service.
Term	The above price will remain constant from enrollment to November 2025.
Early Cancellation Fee	There is no cancellation fee. You may leave this product at any time after you have enrolled with no fee or penalty.
Automatic Renewal	You will be automatically enrolled at a new price at the end of the contract term unless you inform the Town otherwise. The new price may be higher or lower than the existing price and the voluntary renewable energy content may change. The Town will contact you no later than 30 days before each automatic renewal to notify you of your supply options.
Renewable Energy Content	The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 59% renewable energy resources in 2023, 62% in 2024, and 63% in 2025. This product meets the minimum requirement.
Recission Period	If you received this form as part of an automatic enrollment notice, you have until the deadline indicated on the notice to opt-out and not be enrolled. You may leave this product at any time after you have enrolled with no fee or penalty.
